

# Glenn Upson

## Resume

Glenn is the founder and Director for CorpSec International Pty Ltd a specialist security/risk company. Glenn has worked in a variety of roles both locally and overseas providing security and risk services to Government, Corporations and private individuals.

Glenn has over thirty (30) years experience across the Military, Queensland Police Service, Victoria Police Service, Queensland Health and private contracting areas. Glenn was a member of the QPS specialist tactical unit, SERT, responsible for all high risk and counter terrorism responses.

Glenn is a specialist trainer in security, situational awareness and emergency response matters with in-depth operational experience in conducting real life training and ERP planning.

Glenn has a clear understanding of the practical and commercial realities facing small and large entities with respect to risk management and business continuity concerns. The unique diversity of Glenn's experience enables him to offer a combination of skills, knowledge and practical experience that has provided exceptional value to past employers and clients.
